Quality is not a marketing act at Wholesale Cars Direct, it is who we are.

Buy safe, please go through our check list line by line that is added to our photo list or on our website. This is to help the inexperienced purchaser or give the most discerning confidence. WCD vehicles pass every mechanical check. This immaculate Hybrid Sienta is faultless. It required no paint prior to the yard from WCD buying better quality vehicles in Japan. It is loaded with features such as Electric sliding side doors, Climate control, Stability control, Auto High Beam Assist, Electric rear doors, Front collision warning system, Lane departure warning, Reverse camera, 3 point seat belts for all seats, 15 inch alloy wheels. NZ spec stereo fitted with Bluetooth handsfree, music streaming & reverse camera, Push button start, Proximity key. The 1.5 Litre petrol engine and the electric engine working together they produce 98kw.
